

Meridian School District
Irene Reither Elementary School

Our only fundraiser of the year for Irene Reither Elementary's PTA, the Trojan Trot Jog-a-thon is happening October 6th. Our students are doing their part by running their little hearts out and seeking pledges from relatives and friends.

Monies raised by the Trojan Trot fuel the PTA budget and fund the following events, supplies and educational opportunities for our students:

-All student field trips - Student's school supplies - Missoula Children's Theater - Pacific Science Center visit and workshops - Family movie nights - Skate nights, Snuggle Up and Read, Kindergarten t-shirts – Teacher grant requests and more!

Would your business consider investing in our students?

Any donation would be greatly appreciated!

If you choose to make a \$250 or greater donation your business will receive a publicity package as a token of our thanks. This thank you will include your business logo spotlighted on a banner proudly displayed at Irene Reither, your logo on our website www.MeridianPTA.org, a public thank you on our PTA community Facebook page and your logo printed in our Missoula Children's Theater program. You will also receive a donation receipt for tax purposes.

If you are interested in donating, please contact us at Info@MeridianPTA.org today! A member of our PTA will gladly pick up your donation at a time that works for you. Logos and website links may also be emailed for publicity package use.

Deadline for inclusion in publicity package is October 6th, but donations are welcome at any time.

Thank you so much for your consideration!

Warmly,

The Meridian PTA, Email: Info@MeridianPTA.org
